ANNOUNCEMENTS

* 18991

Sweden. not area bound. A Merry Christmas and a Happy New Year!

The Swedish Maritime Administration would like to thank all of you who over the past year have provided information which have resulted in Notices to Mariners and/or corrections to charts and ENC's!

We also want to thank all of you who use the Swedish Maritime Administration's products and have studied the information in Swedish NtM and also special thanks to those who have provided comments and suggestions for the improvement of our products.

We are looking forward to continued good cooperation in the coming year!
